

2024年 11月短歌

奥山にさびしく立てるくれなゐの木の子は人の命とるとふ

*okuyama ni sabishiku tateru kurenai no
kinoko wa hito no inochi toru tou*

Deep in the mountains
the crimson mushroom
standing alone
is said to take
human life

Composed in 1898, at age 31

Tanka translation: The Shiki Museum English Volunteers
